

C3 Student Minister Job Responsibilities

Personal

- Seek to live a personal life that is above reproach and worthy of imitation as it honors God in all areas and relationships
- Make personal spiritual growth and daily time for reflection, restoration, and renewal a priority
- Prioritize family (if applicable) over job responsibilities and work to establish a healthy balance between personal and professional life

Staff

- Demonstrate a positive and supportive attitude toward all other staff members and congregational leadership
- Be dedicated to working alongside the rest of the C3 staff to create an atmosphere of collectively keeping in step with the Holy Spirit and following where He leads
- Attend and participate in weekly staff meetings, periodic retreats and other staff related functions
- Be available to collaborate with other C3 staff on events and ideas that aren't specific to the Student Ministry but will benefit the entire congregation
- As a member of C3 staff, seek to be a team player who prioritizes team over self

Professional

- Work to create an environment, both inside and outside the walls of C3, that focuses on developing and mentoring teens who will live Biblically based lives and who will seek to follow Christ, and lead others to do the same, in their homes and communities
- Recruit, train, and empower youth sponsors who will participate alongside Student Minister in effectively reaching students with the message of Jesus
- Provide continuing training to ensure youth sponsors are growing stronger in their personal walks with the Lord
- Develop and be responsible for ensuring Biblically based lessons are available for both Junior High and High School Life Groups on Sunday mornings
- Develop and implement strategies to ensure Junior High and High School students have opportunities together to worship God, enjoy one another, and grow closer to Jesus
- Nurture an environment where students experience the love and acceptance of Christ and His Church
- Provide opportunities for both Junior High and High School students to serve, both locally and otherwise
- Determine how best to create a passion in Junior High and High School students to STUDY the Word of God and APPLY it to their lives
- Work with the Associate Minister to periodically ensure outreach opportunities are made available with a student and family focus
- Seek to effectively communicate with students and families, including maintaining and overseeing social media pages and other outlets for the student ministry at C3
- Work with the Children's Director to periodically create opportunities for the entire family to grow closer to God together
- Work with the Children's Director to ensure parents at C3 are equipped to be intentional in each step of a student's spiritual journey
