

theLOFT Parents & Students,

We are excited for another summer of ministry for and with you! We wanted to make sure you were up to date on what was planned for the summer and how you or your student(s) can stay connected through these summer months. As many of you know, Jordan Delks has resigned from the Student Ministry position at C3, and we are currently seeking who God has to take his place. As we do that, we ask that you join us in praying for discernment and wisdom as the search team seeks to follow God's will for the Student Ministry position. In the meantime, Jeff Thompson will organize and oversee the Student Ministry with the help of our amazing sponsors!

Below you will find the details of when and where we will be meeting throughout the summer. There are several different gatherings or events for you or your student(s) to be involved in. We hope you will be a part of each gathering and strongly encourage you to consider EDGE and MERGE weeks of camp as they are weeks intentionally designed for Junior High and High school students and will provide a great springboard of growth as you or your student(s) head into the next school year.

If you have any questions about the summer plan or camp, please feel free to contact Jeff at (765) 395-3361 or [jthompson@conversechurch.org](mailto:jthompson@conversechurch.org).
