

theLOFT Sponsor,

First off, I want to say thank you! Thanks for being willing to invest in our Student Ministry. I am thankful for your partnership as we strive to help students grow in their walk with Christ. With Jordan's resignation I will be overseeing the Student Ministry until we are able to hire a new Student Minister. I would ask that you pray for our search team as we seek to find the right person to lead this ministry. I also want to give you a quick update on where things are headed for the summer.

Below you will find details of when and where we will be meeting throughout the summer. The 4 "Summer Evening Gatherings" will be nights with food, games and a short devotional thought focused Chasing the right thing. There won't be any specific small/cell group time on these evenings, but they are great opportunities to connect with students from your small/cell groups. I will run point in organizing the evenings, so you are able to just show up and connect with students.

Speaking of connecting with students this is where I really need your help. I want to do our very best to make sure that students don't feel lost in the transition of searching for a new Student Minister but rather they leave this summer connected and encouraged in their faith. If you would be willing to contact the students in your small/cell group once a week just to check in that would be fantastic. It could be as simple as a text, quick call, showing up at a ball game or getting some ice cream together. Any way that works for you to help each student know they are cared for. The other thing that I am needing from you is for you to be present for our Summer Evening Gatherings. These are simple but effective ways of keeping students connected to God, each other, and the leaders they look to for guidance. I understand summer schedules get busy but if possible, please carve out those four dates and plan to join us as we Chase the Son together this summer.

If you have any questions about the summer plan, please feel free to contact me at (765) 395-3361 or jthompson@conversechurch.org.
